

Cal-OSHA & IIPP Basics

Description: This workshop will provide business owners with an overview of how Cal-OSHA functions and the importance of having a properly written Illness & Injury prevention Program. Not understanding or making mistakes in these areas could cost a business dearly.

Learning Goals:

- What constitutes an IIPP
- Who needs an Illness & Injury Prevention Program
- Overview of Cal/OSHA
- Cal/OSHA Consultation
- Cal/OSHA Enforcement
- What to include in your investigation
- What to expect when Cal/OSHA arrives
- Penalties and appeals
